Thanks for offering to do lookups. I'm researching John Middleton Romine. I've found references that his parents were Samuel and Nancy Dearman Romine, but I've not found anything that makes me comfortable that there is proof of the relationship.

Is there something there about John Middleton Romine and who his parents were? John Middleton Romine was born 10 Sep 1840 in Harrison County, Virginia. On 23 Sep 1866 he married Sarah Eleanor Riley in Roane County, West Virginia. He died 16 Feb 1920 in Reedyville, Roane, West Virginia.

Thanks again!
