I am looking for the graves of my Great-great-grandfather and grandmother, Eli Rogers (b. April 30, 1845, d. 1931) and Lucy (Spencer) Rogers (b. December 21, 1850, d. January 2, 1926). Eli served in the Civil War and according to the 1880 Census, they both lived on a farm just outside Spencer. I am assuming they are both buried somewhere in Roane County, but none of the cemetery listings include them. Any help would be much appreciated. I am coming to the area in mid-August to pay my respects to a number of my ancestors. Thank you!
