Interestingly, my efforts thus far have Eli Rogers to be the son of John B. Rogers (1805-1872) and Sarah Webb (1815-1863), both born in Harrison County, West Virginia, married 10/26/1828 in Wood County, West Virginia, and buried side by side in Smithville Cemetery in Ritchie, West Virginia. I was planning on visiting their gravesite next month. I guess I need to explore this some more. But thank you for the death certificate; it sure seems to be on point.
