My Rogers/Spencer lineage is the following:

John W. Spencer + Permelia Andrews --> Lucy Spencer + Eli Rogers --> John W. Rogers + Carey Cain --> Verlie Rogers + Merle Reece --> Peggy Reece + Wayne Vetter --> Thomas Vetter

I am not sure how to access your archived information on myheritage.com, but I will try to create a tree and see if it ties into yours.

I have delved pretty far back on the Spencer line through the Massachusetts Bay Colony in the early 1630?s and from there back to England. I am not sure that lineage to Edward III is accurate.
