Eli Rogers was my great-great grandfather, so we are clearly directly related. I would have loved to take part in that 2008 get together in Roane County. Which cousin has Eli's dog tags? I am getting his and John W. Spencer's military pension records from the National Archives, so I can make application to the Sons of the Union Veterans of the Civil War. Ironically, I have relatives on my Reece side of the family (Putnam and Cabell County) that fought for the CSA Virginia forces.
