I'm trying to help a friend find information on Wiley Horner who married Sabra Naylor in 1865 in Roane county. Sabra or TherSabra was the daughter of John Young Naylor and Labana Helmick. We believe Wiley was born abt 1843 and according to the census in Virginia. This is all we know about him. ANY help would be greatly appreciated!

Something else... On the 1860 Meigs County Ohio census there is a Wm. W. Horner 16yrs born in Va. living with Silas and Nancy Drake, Clarissa, Adaline, Sheldon H, Skelton A, and John W. I feel that this could be Wiley Horner. Could he have come to Roane county with the Drakes? If so what is their connection.....
