Just returned from a couple of days in WV. Found Leah (Cunningham) Hardman headstone at Spring Hill Cemetery in Charleston - Section 6, plot 17 of the old section. GPS locations: 38.35064 -81.61345. Found Thomas Cunningham gravesite (at homestead - now private property) 39.077480 -81.057110 and Pheobe (Tucker) Cunningham site (Shimer-Gainer Cemetery) 39.002385 -81.111967

Have photos of stones and DAR markers as well - contact me if you have need of. Still no luck with Benjamin Hardman...
