I need some help finding John Patrick Sinnett b.1787 in Pendleton Co. moved to Ritchie then to Roane Co. where he died 4 Jan 1869. He married Elizabeth Caldwell 14 Dec 1848 in Roane Co. He was married to Elizabeth Propst in Ritchie Co. and give him 5 children before she died in 1843. I know sons Joseph and Samuel came to Roane Co. and started families. I'm looking for any children from the second marriage to Elizabeth Caldwell and where the couple might be buried as well as any other information on them. I know where Joseph and his family are buried as this is my line and I tend the cemetery outside of Walton which as far as I know John is not there. Any help would be greatly appreciated.
