There is a stone in or just outside the Ogden cemetery on Uler Rd with the name Nancy engraved on it. Does anyone know who this Nancy is? My gr-gr-grandparents Aaron & Nancy King Hensley had a large farm on Uler Rd between the years 1837-1868. Nancy died between 1850-56 and I believe this stone may mark my Nancy's grave. Does anyone have any info about this. Thanks Don Hensley
