I need a good connection between Joseph Sinnett and his father John Patrick Sinnett. I need this for membership to the SAR. We know the 1850 census listed John and 3 sons but not Joseph. He had left home by then. The 1860 census has Joseph already married. I have not been able to find a birth or death record for Joseph. He was born in Ritchie Co. 1815 and died in Roane in 1908. Help would be appreciated, this is my last link. [REDACTED]
