Family #1:

William V Hall born 1814 died ? wife anna fullen born 1816 died ?; parents of james born 1844

family #2:

William Justice and wife Emaline Knight (1836 abt)

Family#3:

Linkenaugers

looking 4 photos, records (tax,marriages, birth/death, newspapers, etc) i would like to know these people as actual persons not a number on a census record. if its possible, to know their ancestors and history behind where they settled/temp stayed.

thanks for the help and your time!!!
