Elizabeth Mitchell Smith was the daughter of Thomas Mitchell Sr. & Eleanor Hill. Their children were: Lucy (??? died before 1852); Shadrach (1797); Margaret (1802); Elizabeth (1803) Mariah's mom; Thomas (1804); Sarah (1806); Eleanor (1820). This information came from Arnott & Vederoff.

I also found that Mariah's daughter Mary Angeline Ogden (my great grandfathers's sister (William Wesley Ogden) married Millard Filmore Ross. Their children were Floyd, Willie, Roy, Stella Francis, & Ulysses.

Stella Francis Married Price Jarvis. One child's name was Birda Glee Jarvis. She married Greely Francis Conley. Their children were Glen, Don, & Forest.
