I am seeking information on Elizabeth "Betsy" Jane Whytsell Williams Wine, especially what cemetery she is buried in.

Elizabeth is the daughter of Emanuel H. Whytsell and Catherine Whytsell. She was born 12 July 1844 in Roane County, West Virginia or Rockingham County, Virginia. She married first Thomas Williams around 1864, and secondly John A. Wine on 17 July 1869 in Calhoun County, West Virginia.

According to census records, she died between 1900 and 1910. She may be the Eliza J. Wine who died

07 November 1908 in Spencer District, Roane County, West Virginia. She and her family lived in Spencer District, Roane County, West Virginia at least from 1871 to 1900.

Any information about Elizabeth would be greatly appreciated.
