Hello,

I am searching for several official records for some of my direct line relatives who lived in Roane County. I am trying to locate a death record for my fourth great grandmother Mary Elizabeth Flesher West (b. 1795 d. 1861 in Roane County). She married Thomas West (b. 1792 d. 1883 in Roane County) and died in Roane County around 1861. I have been unable to locate a will for either of them.

I am also searching for a birth record, death record or will for Alexander West b. around 1832 and died after 1910 (son of Thomas & Mary Elizabeth West). Alexander married Rachel Wilson in 1855. I have been unable to locate a death record for her either.

If anyone can help with any of this information, it would be greatly appreciated. Best Regards,  
Cindie
