Many sources exist for both census images and transcriptions. Some references are limited by district, so please pay close attention to the volunteer's offering.

For extensive needs, you might consider:

Wes Cochran publishes the following:

1900 Census Curtis, Harper, Reedy Dist.

1900 Census Smithfield, Spencer, Walton Dist.

Please contact Wes directly for information on availability and pricing. (Wes Cochran, 2515 10th Ave., Parkersburg, WV 26101-5829)

Another source is Ancestry.com, a commercial service that has both images and searchable transcriptions of this census available for a fee. This service is often made available to patrons at public libraries, and in LDS Family History centers in some areas.
