Many sources exist for both census images and transcriptions. Some references are limited by district, so please pay close attention to the volunteer's offering.

For extensive needs, you might consider:

A searchable full transcription of this census is available online at FamilySearch.org

Another source is Ancestry.com, a commercial service that has both images and searchable transcriptions of this census available for a fee. This service is often made available to patrons at public libraries, and in LDS Family History centers in some areas.
