Dear Rose,

I too am an ancestor of Charles Rogers and Hannah Skidmore.

My ancestor, Elijah Rogers, your Levi's brother. Elijah was married to Eleanor Skidmore, a niece of Hannah.

Their son Felix Sutton Rogers was married to Nancy Isabelle Rollyson.

Their daughter, Ursula Ann Rogers, had an affair with a married neighbor and the result was a baby girl, my Grandmother, Allie Gay Cookman

Her daughter, Allie Gay Cookman married Frederick Alan King.

Their son, William Orville King, as a result of their divorce, was taken away by his father, Frederick Alan. My Grandmother did not see her son again until he was almost 30 and had a bunch of kids. Before the divorce, Allie Gay had a daughter, my Mother, Georgia Beatrice King who, in 1935, married my Daddy, Thomas Fredrick Trent.

Then, it gets down to me, Linda Gay (Trent) Kirk, Brown.

So there you have my family.

I live in Stone Mountain, Georgia now, where do you live?

Drop me a line.

Cuz Linda
