Hello all,

I am looking for information on Elizabeth Raines Farrar Preston, my GGGG grandmother. I know that she was living with Henry and Jennie (Virginia) Farrar Greathouse in 1910, but cannot find any record of her death or where she is buried.

I know that Jennie Greathouse is buried in Pink Cemetery, Pink, WV; maybe Elizabeth is buried there as well.

In addition, Jennie and her sister Caroline, married Greathouse brother -- (Henry and Robert). I am looking for any information on Caroline regarding her death, where she is buried and any children she may have had.

Thanks in advance!
