Two of my ancestors are reportedly buried on the family homestead which was said to be on the middle fork of the Reedy wherever that may be...

Benjamin B. Hardman 1801-1865
Sira Leah Cunningham 1796-1874

She was the daughter of Thomas/Phoebe Cunningham of Indian War fame.

Anyone have knowledge of gravesite location and condition of any headstones?

Also, I have not been able to find any death records for them, or birth records for their son Thomas 1824-1904. Anyone have anything here?

Thanks, any help will be greatly appreciated.
