Linda Liss, Corresponding Sectâ€™y, reported that she sent sympathy cards were needed. She reported that an inquiry was recâ€™d through the societyâ€™s website regarding photos of the past & present courthouses of Roane County. Deb Warmuth, Project Mgr., The Walk-About Co., Wheeling WV & with the Ohio Valley Chapter of the National Academy of Arts & Sciences is researching courthouses of WV and is seeking historic courthouse photos/images that might be available for use in publications. The first courthouse was destroyed by fire in 1887 replaced by the two-story brick structure which was torn down to build the third present bldg. in 1964-5. Linda has photos of the three buildings, but needs to research the copyright on the first two. She will report back at next meeting.

As Membership Secretary Linda reported that the current membership is 210. Three new members were recâ€™d during the September Gen. Fair. She also noted that 22 members have NOT paid dues for the fiscal year 2012-13. All have been notified regarding their past due memberships. Report copy filed with minutes.

Carol reported that several books have been purchased or donated to the society:

1. Clay County Marriages w/Index by the Kanawha Valley Gen. Society
2. Mt. Heritage / Blennerhasset Island
3. Lewisburg Landmarks
4. Forebearers of Taylor/Cromwell Family
5. Jackson Co. WV Deaths
6. Hans Jacob Gandee Descendants pub. by the Lockharts

Johanna Nutter reported that the Sept 22nd Genealogy Fair was deemed a success. Vendors did

well, the American Legion Auxillary food was a hit, 127 registered attendance plus many who came but did not register. Those attending had a good time and enjoyed the fellowship. The Heritage Park Community Bldg has been reserved for the September 28, 2013 fair. Special thanks to everyone who helped in any way to make the event successful. The society cleared well over a thousand dollars from table rentals and book sales at the fair.

At a past meeting it was discussed that the society perhaps purchase some sort of sound system to use at meetings and other society events. Johanna Nutter volunteered to check on this and report back at the next meeting.

It was reported that the Vol. 20, Issue 1 of the Roane County Journal was mailed and rec'd by the membership of the Society. Carol Cronin is to be complimented for her work as our newsletter editor.

Linda Liss asked if the RCHS wishes to continue the Annual Scholarship Essay with the Roane County High School. The past two years we have presented a scholarship to a deserving senior who wrote the best essay portraying their family genealogy. After discussion, motion was made by Melissa Swisher and properly seconded that the society offer a \$750 scholarship to a senior who writes the best genealogy essay. Motion carried unanimously. Linda will meet with school officials and present the essay guidelines and applications.

P.J. Miller brought a local community concern to the society for consideration. Recent newspapers articles indicate that the local food pantry is in need of non-perishable food items. Even with generous monetary donations the food pantry is still in need of food. Therefore, by general consensus of those members present, it is agreed for each person attending the next meeting of the society on Oct. 25th be asked to bring a can/box of non-perishable food to be donated to the pantry.

Melissa Swisher noted that she had worked a shift at the Heritage Park Depot Museum during the Genealogy Fair. The building is owned by the City of Spencer. Many area residents have never visited the museum or perhaps do not know about it. She said the old Depot building is in need of some t.l.c. and cleaning. There are no photos displayed there! No heating/cooling. Is this something the R.C.H.S. may want to attempt as a community project to clean up the museum and perhaps pursue a grant to get h/c installed? Society member, Teresa Parker, is caretaker of the museum. Carol Board-Westfall will talk with Teresa to get ideas on how to proceed and report back at next meeting.

For the good of the society, it was discussed having some sort of genealogical report or family history report at each meeting of the R.C.H.S. Since we are a society to promote genealogy and our Roane County family's history this would be an excellent way of learning about some of the families our members are researching.

Mike Hill volunteered to be the first in this series of presentations. He will discuss the Roane County pioneer families of Meadows and Bonnett at the October meeting.

It was also suggested to have a future program on the use of DNA research in making family connections.

Carol and Melissa reported that the 5 cemetery books published by the RCHS have been scanned and put on CD's. They were offered for sale at the September Genealogy Fair.

Shirley Hill will serve refreshments for our October 25th meeting.
