The Roane County Historical Society, Inc. reminds interested students and parents of the availability of a \$1,000 scholarship to a 2014-15 full-time student at Roane County High School, Spencer, WV.

In order to promote Roane County history and family genealogy the society is encouraging young citizens to write an essay on their family history. The essay must be genealogical in nature and may include family migration patterns on their way to settling in Roane County. The essay best meeting the guidelines will be awarded the \$1,000 scholarship. This is the 5th year the society has made the scholarship available to Roane County High seniors.

Applications and guidelines are available through the Guidance Counselor at Roane County High School and must be completed and returned to the Counselor by Friday, April 10, 2015.

Announcement & presentation of winning essay scholarship coincides with the schoolâ€™s May 2015 Awards Ceremony.
