Making the most of your 2015 DNA testing dollars

In 2012, The Legal Genealogist led off a Sunday DNA blog by asking “how do you get the most bang for the DNA buck?”¹

That was followed up in 2013 with an update after prices tumbled for autosomal DNA tests,² and in 2014 with an update after technological changes at 23andMe blew some of the recommendations out of the water.³

And “with price changes, feature changes, the advent of international sales, and changes in the way data may be treated at some companies” it’s time now for another update.⁴
