Kidd, Reva Paxton, Melba Starcher, Vickie Baker, Carol Board-Westfall, Carl Paxton, Rich Greathouse, Bonita Schreckengost, Linda Cottrell Liss and Vicki J. Knight.

The minutes from the November 15th meeting were read and approved

Treasurer's Report: Carol Board-Westfall. Current Balance: \$12,013.37 Copy filed for annual audit.

Correspondence: Linda Liss noted one piece of correspondence dated Dec. 14, 2018 from Bill Henderson of Weston, WV regarding his inquiry on Orville Wade Harris, born 1884 in Barbour Co., WV and died 22 June 1953 at Spencer State Hospital. Linda made phone and email contact with Mr. Henderson regarding her findings that both Mr. & Mrs. Harris are buried at Spencer Memorial Cemetery in Roane County.

NEW BUSINESS:

As Treasurer, Carol Board Westfall reported that she had received a letter from the Spencer Post Office regarding an increase in our annual fee for Bulk Postage Permit #101. The post office did not have an exact cost at this time, but rate will be going up since other U.S. postal rates will be increased as of January 27, 2019. (Last annual permit fee was \$215.)

A lengthy discussion ensued regarding the Society's newsletter, bulk mailings and how to proceed since our membership has fallen below the 200 required for a bulk mailing. Linda reported that a Special 5-page December Journal newsletter was emailed on Dec. 4, 2018 to those members having email, plus 50 were delivered by postal. The purpose of the special newsletter was to see how members would like to receive the quarterly newsletters & other correspondence; of over 130 emailed newsletters, 46 members responded. Basically those who received the emailed letter would like to receive correspondence that way. There were a few who requested postal mail even though they had email. To postal mail a 6-page or greater newsletter beginning Jan 27, 2019 will be 70 cents per item, no staples and the folded document must be sealed on the edges. Having said all that, the 11-page 2018-19 Surname Directory and an 10-page Winter Journal newsletter will be mailed as one bulk mailing since the new bulk rate will not come into effect until January 27th.

With regard to the Quarterly Journal newsletter, Linda Cottrell Liss, Editor, stated that it has become

increasingly hard to compose a historical & newsworthy newsletter. A plea for contributions of news articles, family histories, and Roane County veteran's info are not coming in. We are not receiving sufficient items to produce a 12-page newsletter. This Editor does not want to fill the publication with miscellaneous poems, cartoons, etc. just to have a 12-page document. Therefore, the general consensus recommendation of those present was for the newsletter editor to compose newsletters with what news items she has available quarterly. Also, when time for the Spring 2019 "Journal" is to be published, that it be emailed in the pdf "portable document format". Those members not having email or have specifically requested paper newsletters will be mailed at the new postal rates.

President Greathouse received a letter dated 14 Dec 2018 from the WV Dept. of Transportation regarding the proposed replacement of the Tariff (Roane County) Arch Bridge built in 1927, Route 27 over Henry's Fork of West Fork of the Little Kanawha River. The Society does not see any adverse effects of this proposal historically or otherwise. No further comment or action required.
